CAROLING IN JACKSON SQUARE
Sunday, December 20, 2020
Since 1946, Patio Planters of the Vieux Carre has been presenting Caroling in Jackson Square, a free community sing-along for visitors and locals alike. **This treasured holiday tradition continues, a la pandemic.** Per Phase 3.3 gathering restrictions, ticketed admission will be available on an extremely limited basis to ensure mindful distancing. Songbooks will be provided, and masks will be required.

Santa Claus is anyone who loves another and seeks to make them happy; who gives himself by thought or word or deed in every gift that he bestows.
~ Edwin Osgood Grover

Those who cannot attend may join in virtually via live streaming on www.patioplanter.net where songbooks may be downloaded. Families, restaurants, hotels and businesses are encouraged to have their own simultaneous Caroling festivities for even greater virtual participation. An online ticket lottery will be conducted immediately prior to the event, based on availability. Visit www.patioplanter.net or contact admin@patioplanter.net for updates.

FANTASY FUDGE

RECIPE SUBMITTED BY:

*"Rich & delicious!
A holiday baking essential!"*

Special Tip: Cool, dry weather is recommended for candy-making. If it is wet or humid outside the fudge may not harden.

Ingredients:
¾ cup (1 ½ sticks) margarine or butter
3 cups sugar
1 can (5 oz) evaporated milk (2/3 cup)
1 pkg. (12 oz) semi-sweet chocolate chips
1 jar (7 oz) Jet-Puffed Marshmallow Cream
1 cup chopped pecans (optional)
1 tsp. Pure Vanilla Extract

Method:
Lightly grease 13x9 inch or 9-inch square pan. Mix margarine, sugar and milk in heavy 2 ½ to 3 quart saucepan. Bring to full rolling boil on medium heat, stirring constantly. Continue boiling 5 minutes on medium heat or until candy thermometer reaches 234 degrees, stirring constantly to prevent scorching. Remove from heat. Gradually stir in chocolate chips until melted. Stir in vanilla. Add Marshmallow cream and stir until well blended. Stir in chopped pecans. Pour into a parchment-lined pan. Cool at room temperature, cut into squares. Note: Do not substitute sweetened condensed milk for evaporated milk. High altitude: decrease recommended temp 2 degrees for every 1,000 feet above sea level.
