Building Management has been employing additional measures for **GERM CONTROL**

-In addition to Night Cleaning, our Day Porters are tag-teaming to wipe down frequently-touched areas such as elevator lobby buttons on each floor, buttons inside elevators, restroom door handles, 1st flr Entry doors, etc.

-For your convenience, Hand-sanitizer stations are placed in all elevator lobbies.

-We encourage you to take measures within your own space - cleaning phones after use, wipe door handles, microwave, refrigerator, copier, etc.

We all want this virus nightmare to come to an end. Constant Vigilance - Do what is in your power to keep COVID-19 at bay: Mask up! Wash hands! Social Distance!

ST. PATRICK'S DAY

Dig in your closet & break out the green

TRASH REMOVAL is provided by the nightly cleaning service. Trash that does not fit into a regular wastebasket should be clearly marked "TRASH" and placed in an accessible area so the nightly cleaning service will dispose of it. The cleaning crew will not remove boxes unless they are marked "trash". A rolling dumpster can be provided, upon request, for large trash removal. Put in a Work Order Request in FAMIS 360 (360Facility).
