We have added new **HAND SANITIZER** stations at each of the elevator lobbies on the 1st floor. A welcome addition!

Frequent hand-washing is an effective preventative against many kinds of bacteria, some viruses and the common cold.

INTERIOR LANDSCAPING - CHANGES IN THE LOBBY

We have installed new plants in the back hallway (the main walkway from the garage) which changes the area from a barren hall to warm entryway. We have fitted the lobby plants with new, sleek, espresso-colored planters and upgraded some of the plants. Hope you are pleased with these enhancements.

Avoid Trash Confusion

The janitorial staff removes trash in wastebaskets nightly. So there is no confusion, please do not place items (files, boxes, personal items, etc.) that you don't want thrown away on top of or near your wastebasket.

FLU SHOTS

1615 Poydras Management Office is hosting our annual flu vaccination service on **Monday October 3rd** in the **3rd floor Training Room**. Ochsner Health System will be on site administering shots between: **12:00 p.m.—3:00 p.m.** The cost is \$26 for each shot - Accepting Cash or Check. Wear loose fitting clothing to allow easy access to the upper arm.
